WELLBEING AWARD

As part of our school improvement priorities which we shared with you last month, we are working towards achieving the Wellbeing Award for Schools (WAS). In order to make sure that we improve the support we offer, we want to understand how well we are currently supporting the emotional wellbeing of our pupils. For this reason, we will be inviting children to complete an anonymous survey. If you are happy for your child to do this, then you do not have to do anything. However, if you do not want your child to complete the questionnaire, then please let us know by Monday 30th October.

Part of the process of gathering feedback from all stakeholders is also to encourage parents to fill out an online questionnaire. Please check your inboxes for an email from Award Place by Optimus Education – this will be the link the questionnaire and is not spam!
